

10/28/19

The City of Marion is accepting bids on baling the brome grass west of the Marion Highland Cemetery. The area is approximately 9 acres and is to be baled at least once a year.

The western edge of the property has been platted for a residential development and approximately 3 acres will be used for housing so this should be considered when placing a bid.

Bids should be turned in by 5pm on December 2, 2019 to City Hall, 208 E. Santa Fe, Marion KS 66861.
